39/40 Playoff

The diagram is a tournament bracket for a 16-player event. It shows the progression of matches from the first round to the final. The players are listed on the left, and the winners of each match are indicated by lines connecting to the next round. The final match is between Shaun KRIEG and U3, with Shaun KRIEG as the winner.

The diagram illustrates a multi-branching tree structure. It starts with a single root node on the left, which branches into four separate paths. Each path consists of a rectangular box followed by a label. The labels are: **BYE** (top), **AA1** (second), **BYE** (third), and **AA3** (bottom). The top and third branches are labeled **BYE**, while the second and bottom branches are labeled **AA1** and **AA3** respectively. The branches are connected by a horizontal line that runs from the root node to the right, where it splits into four vertical lines, each leading to a box. The boxes are arranged vertically, and the labels are placed to the right of each box. The entire structure is enclosed in a rectangular frame.
